

Designed In Australia

Kids BY Design

Carefully crafting the future of early childhood furniture with cutting edge design.

Explore the world of Kids By Design, where we not only manufacture our own products but also collaborate with retailers to bring their imaginative concepts to life. Our expertise lies in seamlessly integrating design, manufacturing, and distribution to craft furniture that goes beyond functionality – it's about curating exceptional environments.

At Kids By Design, we offer end-to-end solutions covering design, manufacturing, and adaptable delivery options to your warehouse. Explore the opportunity to purchase from our diverse product range or design your own bespoke pieces that precisely suit your individual needs and preferences.

For over a decade, we have successfully supplied the leading Australian early childhood retailers. Having built a strong foundation and garnered widespread recognition within Australia, we are now excitedly embracing a new chapter of our journey—international expansion. With increasing interest from global markets, Kids by Design is pleased to be able to offer our innovative solutions worldwide.
