

# Outdoor Shelf Assembly Guide

## WARNING

- Ensure this item is used in a Safe location.
- Incorrect Installation may result in instability and weakness
- Due to the weight of the item, maintain tightness of screws and bolts
- Keep Plastic Bags and Small Components away from Children
- Ensure Children do not jump on the shelf

## PRODUCT NOTICE

- Whilst WPC will not degrade in weather to the extent that wood will, like wood WPC is absorbent
- WPC is more brittle than wood and should not be overly impacted

## SAFETY FEATURES

- This shelf is heavy and is less likely to tip over or be upturned in heavy winds
- WPC is far more durable in weather and therefore less likely to splinter
